How the weather back there in Mich., these day's. It nice out today. I just hope it stay this way for about 52 more day's.

Jack will like to see me leave this place because about 20 day's after I leave he will leave this place. I hope to do home for the forth of July this year.

You said you like to swim a lot will it about that time of year again. I used to go swimming about every other day before I come into the army. I didn't get to do ~~that~~ very much swimming last year because there is not any deep place to go swimming over here. Another sport I like is a good game of football.
